

## FERRY & DELIVERY FLIGHTS

Safe, timely and efficient turnkey service on a global scale.

There is more to a business jet ferry flight than simply flying from point A to point B. ACASS' comprehensive Ferry & Delivery service covers all the requirements for the mission, including entry into service, flight crews, insurance, regulatory compliance and more.

**SMS** **\$300M**  
COMPLIANT SINCE 2008 INSURANCE COVERAGE

"As an organization that buys and sells a large volume of aircraft yearly, Jetcraft needs a dependable, highly professional partner to ensure efficient and flexible Entry Into Service, Ferry & Delivery, and Pilot Support. ACASS offers these services and more with utmost dedication, a high sense of purpose and an unfaltering eye on client satisfaction."

→ CHAD ANDERSON, PRESIDENT, JETCRAFT CORPORATION

## WHY CHOOSE ACASS?

### Comprehensive, world-class service

ACASS' knowledge and experience of business aviation allows us to provide our clients with a wide range of customized Ferry & Delivery services tailored to meet their specific needs.

- Our **Flight Operations team** ensures all regulatory and operational requirements are met;
- Our **Crew Support team** secures the best crew for each mission and obtains all necessary visas and/or validations;
- Our **Logistics team** monitors and secures all flight permits in addition to planning and tracking all aircraft movements;
- Our **Legal team** organizes the transfer of title as required.

### Industry-leading \$300M insurance

Our client's asset demands full protection. ACASS' Ferry & Delivery service is offered with an industry-leading US \$300M insurance coverage, which demonstrates our level of commitment in providing premium business aviation services to discerning clients on a global scale.

### Safety Management System (SMS)

Safety is ACASS' number one priority and our IS-BAO certified Safety Management System (SMS) ensures the highest safety standards are met at all times. All of our pilots also attend regular training to maintain currency in regulatory and safety matters.

### Entry Into Service support

ACASS offers Entry Into Service (EIS) support to owners and operators of new and pre-owned aircraft. Before the scheduled ferry or delivery, we ensure all regulatory, operational and administrative requirements are met to obtain flight permissions.

### World's largest provider of pilots

Since 1994, ACASS has supplied pilots and engineers to aircraft manufacturers, owners and operators in over 56 countries on all 5 continents. Our global pilot database, which is the largest in the world, enables us to provide a quick response and fast turnaround for all aircraft type.
