

INTERIM LIFT LEASING

ON-DEMAND TURNKEY SUPPLEMENTAL LIFT SOLUTIONS

The right solution

Interim lift leasing programs ideally suited for owners awaiting the delivery of their aircraft, or in need of supplemental lift due to scheduled or unscheduled maintenance of their aircraft.

Cost effective turnkey solution

Fully-equipped aircraft including trained and experienced flight crew, aircraft maintenance management and full insurance.

Key relationships

Unique and privileged exposure to lift opportunities through extensive global network of contacts, including aircraft owners and operators, major aircraft manufacturers, aviation advisors and service providers.

Highly professional service

Experienced management team, with over 50 aviation professionals on staff. 24-hour, 7-day a week, 365-day a year client support provided.

Unparalleled international expertise

Extensive real-world experience and vital working knowledge in the following regions: India, Middle East, Russia, Africa, China, South-East Asia, North and South America.

Experts in aviation regulations

Wide-ranging knowledge of aviation regulations worldwide, especially in emerging countries. Strong relationships maintained with their civil aviation regulatory authorities and governmental agencies.

Cultural awareness & sensitivity

ACASS is aware and mindful of the varied cultural distinctions around the world. Utmost respect and discretion are paramount to our success.
