

## BUSINESS JET PILOTS

Contract and permanent placement of pilots, worldwide.

ACASS is the world's largest supplier of experienced business aviation professionals. With an international network of over 4,400 flight crews, we provide a quick response and a fast turnaround to business aircraft owners, operators and manufacturers worldwide.

**SMS** **\$300M**  
COMPLIANT SINCE 2008 INSURANCE COVERAGE

“ACASS truly knows and understands business aviation from the owner’s perspective. The flight crews provided for my aircraft exceed the high standards we require and the entire team consistently goes above and beyond to ensure safety remains the number one priority.”

✈️ AZIZ OJJEH, VICE-PRESIDENT, TAG GROUP

## WHY CHOOSE ACASS?

### Unparalleled international experience

ACASS has supplied pilots for major business aircraft types in over 56 countries on all 5 continents. Specialized in the following regions: India, Middle East, Russia, Africa, China, South-East Asia, North & South America.

### Cultural awareness & sensitivity

ACASS personnel and pilots are aware and mindful of the varied cultural distinctions around the world. Utmost respect and discretion are paramount to our success.

### Safety: our number one priority

ACASS adheres to all international safety standards and we can supply pilots to Safety Management System (SMS) compliant owners and operators. ACASS pilots attend regular training to ensure currency in regulatory and safety matters.

### Self sufficiency (Proficiency training)

Impeccable track record in assisting flight departments obtain complete autonomy using ACASS pilots (training captains). Complete training of client’s pilots with a gradual transition towards a self-sufficient operation.

### Visas and validations

Extensive experience with civil aviation regulatory authorities and governmental agencies, enabling ACASS to efficiently obtain pilot visas and foreign license validations.

### Quick response, professional service

Accustomed to managing challenging, last-minute requests. Experienced management team, with over 150 aviation professionals on staff. 24-hour, 7-day a week, 365-day a year client support provided.
