CABIN ARRANGEMENT AND DECOR

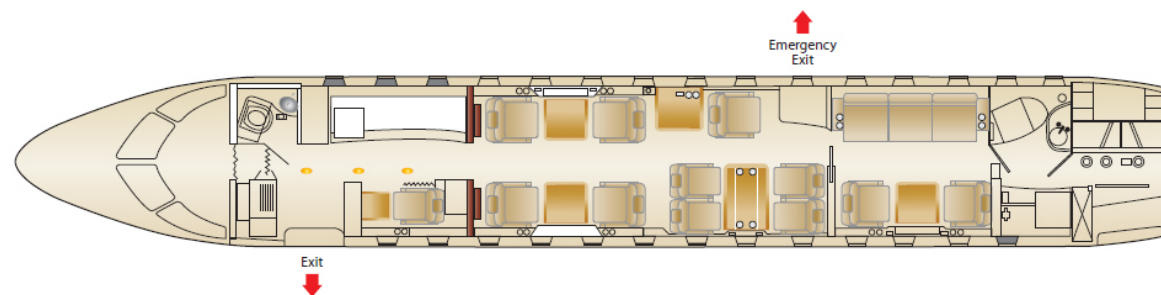

The cabin is configured for 14 passengers with an enclosed crew single divan aft of the entry area, a 4-place club arrangement in the forward cabin, a 4-place conference group across from a credenza in the mid cabin, and a 2-place club across from a 3-place berthing divan in the aft cabin. The aft cabin is enclosed by a forward bulkhead and door. The cabin features a RH forward galley and LH forward galley annex equipped with a TIA Coffee Maker, Aerolux Espresso maker, chiller-cooled cold storage, divided ice drawer and a TIA high temp oven. The aft lavatory includes a vanity, wardrobe and storage cabinet. Also included is a jump seat aft of the flight deck.

All seating is covered in Light Beige leather and is complimented by an organic patterned carpet and high gloss figured wood veneer. The PSU handrail is also wood-veneered.

Exterior paint is overall White with Blue underside and Blue & Gold accent stripes.

ENTERTAINMENT & CABIN SYSTEMS

In flight entertainment is provided by the Rockwell Collins Cabin Electronic System (CES). Entertainment sources include three multi-region DVD/CD players, DirecTV, the Airshow Interactive In-Flight Information System with Moving Map, and the SecuraPlane 500 System with exterior cameras. Video is displayed on dual 21.3" Collins bulkhead monitors, one 10.4" galley monitor, and five plug-in monitors (with 9 receptacle locations). Audio is provided by a 14-speaker cabin sound system and individual headphone audio jacks. Additional amenities include the Global Office with Ethernet switching equipment, 3 cabin telephone handsets (1 wireless), high-speed data system (64 kbps), and cabin wireless network (LAN).
